

VonThun's Friends & Neighbors Club

Our loyalty & incentive program, formally known as the 'Jersey Fresh Program'

- ◆ New name
- ◆ New savings & incentives
- ◆ New program perks that you're gonna love!

JOINING IS EASY AS 1...2...3 !!

1 SIGN UP FOR THE 6-BOX PROGRAM IN THE FARM MARKET. It's as simple as putting your name & contact info on a membership form in the program binder we keep on the counter. Each time you shop in the farm market the amount of your purchase is put in one of the 6 boxes on your membership page. After you've filled up all 6 boxes (made 6 purchases) you'll receive 10% of your total market purchases as a store credit to use on your next purchase. You'll also receive a FREE VonThun's cloth tote bag. Each time you bring that bag back to shop you'll receive 10% off. Combine these two 10% off offers, & every 7th purchase (if you use your tote bag) you'll get 20% OFF! Savings are market wide, all season, not just on produce as in previous years (admissions are not included).

2 JOIN THE VONTHUN'S FRIENDS & NEIGHBORS CLUB FACEBOOK GROUP. We've got a special Facebook group just for our valued customers! It's there that you can follow the farm market all year to get the most current crop availability updates, new product information, and info about our special Friends & Neighbors Club specials, contests, and events.

3 START SAVING! The loyalty program concept is simple ... the more you shop, AND the more often you shop, the more you'll save. We're sure you'll agree that the Jersey Fresh season is the best season, and that season is short ... we hope you'll join us often to savor the local homegrown deliciousness & farm fresh flavors we all love!
